Office Policy Regarding Dental Insurance

The staff at Aesthetic Family Dentistry of Columbia is happy to work with your insurance carrier to maximize your benefit and directly bill them for reimbursement for your treatment. We must emphasize that this is only an estimate and all charges you incur are your responsibility regardless of your insurance coverage. Insurance companies have a wide variety of rules, plan limitations and exclusions that our office may not be aware of. We suggest that you review your dental policy so that you may be aware of specific limitations of your dental contract. Please note that you are responsible for all fees not covered by your insurance plan. Our office staff will do their best to provide you with an accurate estimate of these expenses which include deductibles and copayments at the time of service. For patients enrolled in dental PPO's, in order for us to offer premium service at substantial discounts, we require payment of deductibles and copayments at the time of service. For patients enrolled in dental PPO's, in order for us to offer premium service at substantial discounts, we require payment of deductibles and copayments at the time of service. Your insurance policy is a contract between you and your insurance company. Our office is not a party to that contract. We will cooperate fully with the regulations and requests of your insurance company that may assist in the claim being paid. Once insurance has paid their share, a statement will be sent to you for any remaining balance and will be due upon receipt. If your insurance company has not made payment within 60 days, the unpaid balance becomes your responsibility and is subject to finance charges and the collection process.

Effective September 3, 2013, all accounts that are 60 days past due will be assessed a late fee of 2% of the balance due per month in addition to the existing balance unless other financial arrangements have been made. All accounts that are 90 days past due without payment may be assessed a \$20 fee and sent to a collection agency. There is a \$35 fee for all returned checks.
